MultiTwin until 2006

The space miracle for Notebook, printer and documents

So compact and yet so much room for Notebooks up to 15 inches, printer and mobile accessories. In this sophisticated and successful Multi-Model you can store so much in so little space. The effective protective cushioning surrounds the Notebook and printer and guarantees maximum safety. The well-engineered compartments in the case interior provide for an ideal segmentation. Additional storage space for documents and mobile accessories is available in the front pocket with holders for pens, mobile phone and business cards. Even more documents can be placed in the document compartment on the rear side. Power supply units can be stored in the separate cable bag. You can easily transport a complete office: The soft and specially designed handle provides for carrying comfort and the padded shoulder strap as well as the trolley fastening strap keep your hands free. MultiTwin is made of robust 900 D Polyester. The front pocket as well as the flap have reinforced edges
